

## Free Advance Bridge Classes

The DBAA is sponsoring a lecture series before its Wednesday night game. The lessons are directed toward players who think they are good but know they can get better. Here's your chance to learn from Atlanta's best players. Classes start at 6:45. Here's what we've planned to start it off:

Sept 9	Patty Tucker	Serious 3NT
Sept 16	Mike Kovacich	Reverse Drury
Sept 23	Randy Pettit	5-level Decisions
Sept 3	Kevin Collins	Two-way Checkback

(More to come)

We'll post the lesson handouts for each class right here. They might help refresh your memory but are not intended as a substitute for attending the presentation.

If you want to play afterwards and need a partner, Ginny Fadel (678 584-0077) has graciously agreed to help out as partnership chair for the game. We suggest you bring your regular partner so you learn together. If you want to be on her "call list", please let her know.

See you there.
