

May is for Mentoring

It's not too late to sign up for this popular DBAA program at your favorite club. Tell the Director you'd like to participate. A Life Master plays with a Non-Life Master one or more times during May for free (the DBAA pays the LM entry fee). The LM is expected to provide a fun time and a few tips. Everyone benefits.

Friendship Pairs Championship

At the upcoming Sectional (Get the Flyer [HERE](#)) there will be a two-session Championship game where a Life Master and a Non-Life-Master play together for bragging rights. It's the perfect culmination of Mentoring Month.

June Sectional

In addition to the Friendship Pairs Championship, there will be a **KO Championship** on Saturday. Get a team together and join the fun.
