4. Old Business:

**Phone Book:** Jan reported that work has begun on finding corrections/additions/deletions of names and phone numbers. Jan asked the board to provide a cost limit on the production of the phone book and guidelines of who should be included. Beatrice reported that names included in previous phone books were limited to players from the DBAA area and active players at the club. Jan is collecting emails but they will not be included in the phone book. Jack would like to see an expansion of names included.

**Atlanta Junior Bridge Funding Request:** Jack reported that he has not yet contacted Olin about possible location of bidding boxes which may have been purchased by DBAA in the past. Carolyn reported that AJB has been successful in receiving donations to purchase the required amount of bidding boxes for the summer camps and other bridge training programs. Carolyn suggested that the DBAA may want to consider funding the purchase of T-shirts for the new students enrolled in the summer camps as this would provide a great source of advertising for AJB. The original T-shirts were produced at a cost of \$5.00 each which included a quality shirt and screening. The cost of 100 new shirts would be \$500. [The board will consider this request.](#)

**By-Laws:** Susan [reported that the final review of the draft by-laws will be May 17 @ 6:00 pm](#)

5. New Business:

DBAA game: Policy of DBAA: Motion was made and carried that the Director of the DBAA game will be a non-playing director. The only times he can/should participate in playing the game is if 1) new person arrives from out of town without a partner; 2) someone gets sick and has to leave; 3) when there is a very unusual table movement that would result in unusual sit out pattern for the players.

In order to increase attendance at the DBAA game the following suggestions were made: 1) call former players who are no longer playing 2) have a limited game also 3) Friendship game with randomly matched players 4) advertise Friendship game @ July tournament 5) promote and advertise special games
