Phone Book: this is a work in progress with distribution time targeted for Atlanta Labor Day Regional. All clubs will receive copies for distribution. Jan offered the idea of selling advertisements to individuals, companies for posting in the phone book to help offset the printing costs. Lengthy discussions focused around developing guidelines for what ads should be included, cost of ads, deadline for printers and other issues which would take a committee or more time to resolve. Board decided to deal with this topic at the next production of the phone books.
